Past National Commander-in-Chief Robert E. Hansen has written a Biography. Currently, Bob is trying to 'gauge' the number of copies for the 'first' printing of his book "More Than I Ever Dreamed". If your Post or yourself are interested in a copy of his book, please contact Bob or Sue at the phone number at the bottom of this letter.

Hansen's Biography will be of Great Historical value to the Veterans of Foreign Wars and especially to the Members of the Department of Minnesota, VFW!

Robert E. Hansen's Biography may be best stated in the Book Jacket written by Mark Richie, Minnesota Secretary of State:

"More Than I Ever Dreamed"
A Biography of Robert E. Hansen
A Past VFW Commander in Chief

"More that I Ever Dreamed" is the story of Robert E. Hansen, who while trying to make his life count for himself and to honor the sacrifice of his brother, leaves an amazing legacy of public service that takes the reader on a journey to meet many of the world's most powerful leaders and concludes with the Dedication of Minnesota's World War II Memorial that honors Robert and Harry Hansen and all of their "dear friends."

The book will have a limited printing this spring. It will be approximately 300 pages and anyone interested in purchasing a copy may call: Bob or Sue Hansen at 651-451-7722.

THANK YOU!

In the Interest of Our Memories,

James R. Hesselgrave, State Adjutant-Quartermaster
